

## HUMAN SERVICES DEPARTMENT[441]

### Adopted and Filed

Pursuant to the authority of Iowa Code section 514I.5, the Department of Human Services amends Chapter 86, “Healthy and Well Kids in Iowa (HAWK-I) Program,” Iowa Administrative Code.

These amendments:

- Add new language regarding the recovery of HAWK-I overpayments and rescind two subrules to give the Department a better legal basis for recovery when eligibility was incorrectly provided due to client error.

- Clarify the length of the enrollment period for a child added to a family’s existing enrollment. The child is enrolled for the term of the family’s existing enrollment.

- Establish the first month for which a premium will be due as the third month following the month of the initial eligibility decision.

Currently, families who are newly approved for HAWK-I owe a premium beginning with the month immediately following the month in which the eligibility decision was made. When that decision is made late in a month, not only does the family owe a premium for the next month but also for the second month following the eligibility decision.

For example, if an application is approved on June 27, the first month for which a premium is due is July. The July premium is due July 14, or ten working days following the date of the eligibility decision. Also, the family’s ongoing premiums are due by the tenth day of the month before the month of coverage; so the family’s August premium is due July 10. Not only is it confusing to families to have the premium for August due before the premium for July, many families miss the fact that two premiums are due and only send in one. This confusion often results in denial of the application for failure to pay premiums. Subrule 86.8(3) will establish a more reasonable schedule of premium due dates for initial applications.

These amendments do not provide for waivers in specified situations. Requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441—1.8(17A,217).

Notice of Intended Action on these amendments was published in the Iowa Administrative Bulletin on July 30, 2008, as **ARC 7015B**. The Department received no comments on the Notice of Intended Action.

The Department has made the following changes to the amendments published under Notice of Intended Action:

- The proposed amendment to paragraph 86.3(4)“b” has been removed, based on a legal opinion that the Department already has the authority to accept electronic signatures pursuant to Iowa Code chapter 554D.

- The definition of “client error” in subrule 86.19(1) has been revised to clarify that the client’s action must be intentional or negligent.

- The first sentence in the introductory paragraph of subrule 86.19(2) has been revised to change the verb from “shall recover” to “may recover” on the advice of the Department’s attorney.

- Subrule 86.19(4) has been revised to clarify that recovery shall be made from the person who completed the application and had responsibility for reporting changes, whether that person is the enrollee or the enrollee’s parent, guardian or other responsible person, and that the recovery may be made from resources of that person that are not specifically listed in the subrule.

The HAWK-I Board adopted these amendments on October 20, 2008.

These amendments are intended to implement Iowa Code chapter 514I.

These amendments shall become effective on January 1, 2009.

The following amendments are adopted.

ITEM 1. Amend paragraph **86.3(4)“a”** as follows:

*a. Medicaid applications referred to the HAWK-I program.* When the family has applied for Medicaid first and the department ~~local office~~ makes a referral to the third-party administrator, the date the Medicaid application was originally filed with the department shall be the filing date.

ITEM 2. Rescind and reserve subrule **86.3(11)**.

ITEM 3. Adopt the following new paragraph **86.6(2)“c”**:

c. The child is added to an existing enrollment. When a family requests to add an eligible child, the child shall be enrolled for the months remaining in the current enrollment period.

ITEM 4. Rescind subrule 86.8(3) and adopt the following new subrule in lieu thereof:

**86.8(3) Due date.**

a. *Payment upon initial application.* “Initial application” means the first program application or a subsequent application that is not a renewal. Upon approval of an initial application, the first month for which a premium is due is the third month following the month of decision. The due date of the first premium shall be the tenth day of the second month following the month of decision.

b. *Payment upon renewal.* “Renewal” means any application used to establish ongoing eligibility, without a break in coverage, for any enrollment period subsequent to an enrollment period established by an initial application.

(1) Upon approval of a renewal, the first month for which a premium is due is the first month of the enrollment period. The premium for the first month of the enrollment period shall be due by the tenth day of the month before the month of coverage or the tenth business day following the date of decision, whichever is later.

(2) All premiums due must be paid before the child will be enrolled for coverage. When the premium is received, the third-party administrator shall notify the plan of the enrollment.

c. *Subsequent payments.* All subsequent premiums are due by the tenth day of each month for the next month’s coverage and must be postmarked no later than the last day of the month before the month of coverage. Failure to pay the premium by the last day of the month before the month of coverage shall result in disenrollment from the plan. Premiums may be paid in advance (e.g., on a quarterly or semiannual basis) rather than a monthly basis.

ITEM 5. Amend subrule 86.8(4) as follows:

**86.8(4) Reinstatement.** A child may be reinstated once per enrollment period when the family fails to pay the premium by the last day of the month ~~before~~ for the month of next month’s coverage. ~~However, If the premium must be paid or is subsequently received, coverage will be reinstated if the premium was postmarked within or otherwise paid in the calendar month immediately following the month of nonpayment and the premium must be paid in full in order for reinstatement to occur~~ disenrollment.

ITEM 6. Rescind and reserve subrule **86.10(7)**.
